

REMARKS/ARGUMENTS

The present Amendment is in response to the Office Action including a Notice of Non-compliant Amendment having a mailing date of March 13, 2007. Claims 1-16 are pending in the present Application.

In an Office Action dated September 11, 2006, the Examiner objected to the Abstract. In a response dated December 22, 2006, Applicant amended the Abstract to remove one duplicated "hydroxymethyl-p-tolysulfone", thereby addressing the Examiner's objections to the Abstract. However, Applicant failed to place the Abstract on a separate sheet. Thus, in response to the above-identified Notice of Non-compliant Amendment, Applicant has again amended the Abstract to remove one duplicated "hydroxymethyl-p-tolysulfone" and placed the Abstract on a separate sheet. Accordingly, Applicant respectfully submits that no new matter is added.

Applicant's attorney believes that this application is in condition for allowance. Should any unresolved issues remain, Examiner is invited to call Applicant's attorney at the telephone number indicated below.

Respectfully submitted,

STRATEGIC PATENT GROUP, P.C.
